

Dear Homeowner,

I have some very exciting news! I have switched to **Homestarr Realty**. The purpose of this move is to service my past and future clients with the utmost professionalism and current technology.

Homestarr Realty is one of the fastest growing Real Estate Companies in the area. It offers multiple locations allowing me the opportunity to service my clients in Bucks, Montgomery and Philadelphia counties. With their advanced technology, servicing my client's needs at their home or office is now even easier. Education is an important part of my success and the enhanced training capabilities at Homestarr Realty strengthens my ability to protect my clients. Customer service and satisfaction is the ultimate goal.

I am licensed with the Bucks County Board of Realtors, have more advertising avenues to market and sell your future properties and improved Multiple Listing connections to help you find your next dream home. Our company website, www.homestarrinc.com, offers my clients free access to the multiple listings allowing them the opportunity browse the market independently.

If you or any friends/family members are considering buying or selling a home, feel free to contact me anytime. I am available 7 days a week via my cell phone or email. Your continued satisfaction is my ultimate goal.

Allow me and **Homestarr Realty** the opportunity to service all of your Real Estate needs. With offices located in Warrington, New Hope, Southampton, Bensalem, Philadelphia and Montgomeryville we are your One Stop Source for Real Estate needs!

Best Wishes,

Homestarr Realty
